Short Term Goal

- To generate funds in order to develop, and sustain the Radio Station.
- To work with the community in designing and presenting programs that are informative, educative and entertaining in order to reflect the needs of the targeted community.

Long Term Goal

- To empower listeners intellectually, socially and morally.
- To be self-sufficient and sustainable.
- To build a large loyal listeners-ship.
- To be dynamic and flexible in our quest to meet the needs of the community.
- To be accountable, accessible and transparent.
- To accomplish the goals of the station by renewing broadcasting license
